

# React Project Bus Location Finder And Ticket Booking

## 1.Registration Form

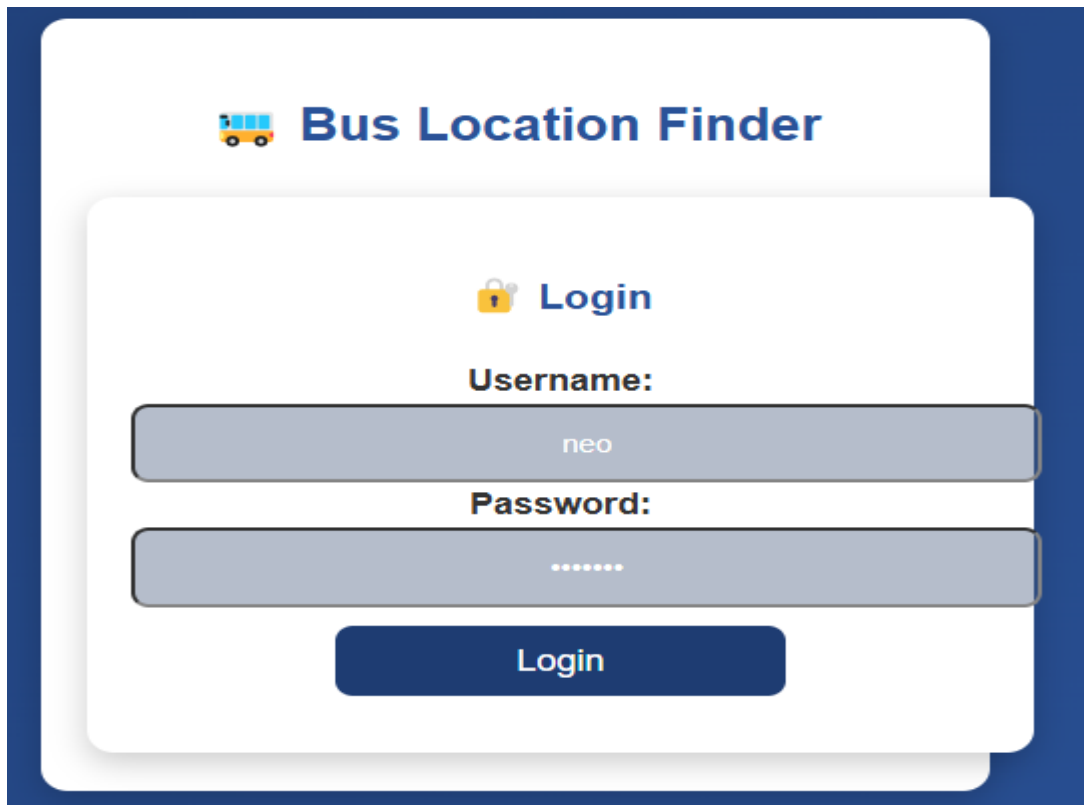

The image shows a registration form titled "Bus Location Finder" with a bus icon. The form is titled "Register" and contains two input fields: "Username" with the value "neo" and "Password" with masked characters ".....". A blue "Register" button is at the bottom.

The image shows the same registration form as above, but with a success message overlay. The message is "Registration successful! Now login." and has an "OK" button. The "Register" button is now orange.

2.The user must register using the registered credentials

The image shows a login form for a 'Bus Location Finder' application. The form is titled 'Bus Location Finder' with a bus icon. Below the title is a 'Login' section with a lock icon. It contains two input fields: 'Username:' with the value 'neo' and 'Password:' with masked characters '.....'. A blue 'Login' button is positioned below the password field.

3. Bus Location Finder

The image shows the home page of the 'Bus Location Finder' application. It features a 'Welcome!' message, a red 'Logout' button, and a search section. The search section has a label 'Enter Bus Number:', a black input field containing '202', and a blue 'Find Bus' button. Below the search section, the results are displayed: 'Bus Number: 202', 'Location: Chennai - T. Nagar', and 'Last Updated: 11:15 AM'. At the bottom is a black 'Book Ticket' button with a red bus icon.
